Chicago, May 2, 2016

Announcing the smart choice for commercial kitchen replacement parts, Original Parts.

[Original Parts](#) is a replacement part source that guarantees quality and performance at a great value. Get the exact replacement parts required and rest-assured that it is a smart choice.

By removing a step in the supply chain Original Parts are less expensive. The parts are from the [same component manufacturers](#) as the OEM brands, and that savings is passed on to all customers.

For years customers have been searching for a parts source that makes parts selection quick and painless. With Original Parts the search is over. [The Parts they need are here.](#)

Original Parts provides:

- Guaranteed Performance
- Longer Warranty
- Better Value (Lower Cost)
- Hassle-Free Returns
- Easy-to-Find Parts

Check out [The Original Parts Story](#) for more information.

Original Parts is a solid, trustworthy source for parts that brings guaranteed quality and performance at a great value. Original Parts are tested to ensure performance. Each part has a 6-month warranty, and by shortening the supply chain, a lower price. Original Parts offers hassle-free returns with quick refunds, and all of the parts are easy to find, with knowledgeable support staff backing up each and every purchase. Original Parts, The Smart Choice.
